Child's name: <i>Peter</i>	Date: <i>31.01.06</i> Class: <i>fourth</i>
My child's interests and hobbies are: <ul style="list-style-type: none">○ <i>games, hurling, soccer</i>○ <i>has begun reading sport magazines</i>○ <i>Play-station</i>	My child is very good at: <ul style="list-style-type: none">○ <i>helping with the baby</i>○ <i>going to the shop</i>○ <i>making friends.</i>
My child likes these school subjects most of all: <i>PE, history, projects, computers</i>	Helping and watching my child learning at home I think the three greatest difficulties my child has are: <ol style="list-style-type: none">1. <i>it is very hard to get him to sit down, to start homework and to listen</i>2. <i>he gets upset easily and needs someone to help him especially at writing answers</i>3. <i>he needs to take breaks between the different subjects as he gets tired</i>
Any other comments: <i>Reading has improved and Peter is reading the subtitles on TG4. Joined writing, while it is slow, it's much easier to read and he likes it</i>
