

Identifying our school's strategies for creating a positive climate

(Ref. Teacher Guidelines, p.22)

- **Building effective communication within the school**
- **Catering for individual needs**
- **Creating a health promoting physical environment**
- **Developing democratic processes**
- **Enhancing self esteem**
- **Fostering respect for diversity**
- **Fostering inclusive and respectful language**
- **Developing appropriate communication between home and school**

Developing a school approach to assessment
